

## **201**9 Girls Scholarship Program Recommendation Form

## To the recommender:

Education plays a pivotal role in ensuring quality of life for individuals and their families, guaranteeing economic security and autonomy. However, girls from disadvantaged families with limited resources do not have equal access to opportunities for higher education after finishing school. GSP will provide support for girls who do not have other financial support to pursue higher education, regardless of academic excellence.

Please ensure all the information provided below is **true and correct** to the best of your knowledge. **Any false information found in the form will affect the applicant's chances of being selected for the scholarship.** Information provided in the form will be kept confidential and will be used solely for assessing the applicant's suitability for the GSP.
