

2018 Girls Scholarship Program Recommendation Form

To the recommender:

Education plays a pivotal role in ensuring quality of life for individuals and their families, guaranteeing economic security and autonomy. However, many children, especially girls from disadvantaged families with limited resources, do not have equal access to opportunities for higher education after finishing school. GSP will provide support for girls who do not have other financial support to pursue higher education, regardless of academic excellence.

Please ensure all the information provided below is true and correct to the best of your knowledge. Any false information found in the form will affect the applicant's opportunity to acquire the scholarship.
