

2026 TIBETAN GIRLS SCHOLARSHIP PROGRAM ANNOUNCEMENT

The Tibet Fund is pleased to announce the 2026 Tibetan Girls Scholarship Program (TGSP), designed to support Tibetan girls with limited financial resources in pursuing higher education. Eligible candidates must have completed Grade 12 and demonstrate a clear financial need that prevents them from pursuing higher education. Scholarship amounts will be awarded based on actual tuition fees of courses – up to INR 1,00,000 per annum for professional courses and up to INR 60,000 per annum for degree programs. The scholarship covers additional expenses including meal and hostel/accommodation costs. If an educational institution is charging these expenses along with the tuition fees, a nominal pocket money will be provided. Scholarships will be eligible for renewal each year based on continuing financial need and satisfactory academic performance. Selected candidates will be required to enter into a formal agreement with The Tibet Fund to ensure the program's effectiveness and accountability.
